

**COURSE TITLE : CADD LAB**  
**COURSE CODE : 4117**  
**COURSE CATEGORY :A**  
**SEMESTER :4**  
**PERIODS/ WEEK : 4**  
**PERIODS/ SEMESTER : 60**  
**CREDITS : 2**

#### **TIME SCHEDULE**

| <b>MODULE</b> | <b>TOPIC</b>                    | <b>PERIODS</b> |
|---------------|---------------------------------|----------------|
| 1             | Introduction To Auto CAD        | 15             |
| 2             | Creating First Drawing          | 12             |
| 3             | Learning Draw & Modify Commands | 18             |
| 4             | Organising Work                 | 15             |
|               | <b>TOTAL</b>                    | <b>60</b>      |

#### **COURSE OUTCOMES**

**On completion of the study the students will be able to :**

- 1.Know Auto cadd-Tool bar
- 2.Under stand method of drawing with auto cadd
- 3.Practice on drawing with auto cadd

#### **CONTENT OUTLINE**

##### **1.0 Introduction to Auto CAD**

1.1 Computer aided drafting- Starting auto CAD- picking points- the command window- The pull down menu- Tool bars- Tool tips- Fly outs- Moving the tool bar.

## **2.0 Working with CAD**

2.1 Know the drawing tool bar- Starting the first drawing- Steps to be followed for starting the drawing- Specifying distance with coordinates- Cartesian coordinates- Polar coordinates- Fast way to enter distance- Poly line- Cleaning the screen- Command options- Selecting options from pop menu- Selecting objects in auto cad- Selecting object before the command.

## **3.0 Learning the Draw and Modify commands**

3.1 Setting limits of drawing- Specifying units- Scale factors- Grid mode & back ground- Using snap mode- Trim command- Osnap options- Copy command- mirror command- Making of chamfer, radius, hatching- Add text.

## **4.0 Organizing the work.**

4.1 Information with layers- Assigning layers to objects- Working on layers-Controlling layer visibility, scale, and line weights. Develop isometric views of simple objects.

## **TEXT BOOKS**

1 AutoCAD - P. Dayanidhi, TTTI.

2 AutoCAD - K.C. John

3 Machine drawing - P.I. Vargheese

## **REFERENCE BOOKS**

1 Machine drawing - N.D. Bhat

2 Machine drawing - K.C. John
