4	While addressing the 16th Annual General Session of the Institute of Engineers, Poona, the Minister for Industry and Civil Supplies, Government of India said as follows: Public Sector Undertakings increased production by more than one hundred crores during the current year. Progress made possible by proper decisions taken by competent business executives. Paid compliments to the role played by the Business Executives. Cited the example of (4) the Heavy Engineering Corporation. The loss of this Corporation was brought down from rupees fourteen crores last year to rupees eight crores during the current year. This was entirely due to the efforts made by the Business Executives and Workers. Suggested that it is advantageous to consult the Industrialists and business executives before evolving integration, and requested the them to provide job opportunities to the trained men. Stressed that greater production was the only answer /// to growing inflation. Prepare Press Report.	M 4.02	A
