

FIRST SEMESTER DIPLOMA EXAMINATION IN MANAGEMENT

BASIC MANAGEMENT CONCEPTS**MODEL QUESTION PAPER –SET-1**

Time: 3 hours

Maximum Marks: 75

PART A**I. Answer all questions in one word or one sentence. Each question carries one mark.****(9 x 1 = 9 Marks)**

1	State the definition of management.	M 1.01	R
2	Write the meaning of Espirit de corps	M 1.02	U
3	State the meaning of Time Study.	M 1.02	R
4	List out two types of planning	M 2.01	R
5	Define Decision	M 2.03	R
6	Quote the definition for organizing as given by Koontz and O'Donnel	M 3.01	R
7	Write the meaning of authority	M 3.02	R
8	What is directing?	M 4.01	R
9	Write the meaning of Leadership	M 4.02	R

PART B**II. Answer any eight questions from the following. Each question carries 3 marks****(8 x 3 = 24 Marks)**

1	Summarize <i>any three</i> characteristics of management	M 1.01	U
2	Examine the features of Scientific management	M 1.02	U
3	List out the importance of Planning	M 2.01	R
4	Explain Strategic plan	M 2.01	U
5	Examine the characteristics of Decision making	M 2.03	U
6	Identify the steps involved in organizing.	M 3.01	R

7	Relate authority and Responsibility.	M 3.02	U
8	Evaluate the features of formal organization structure	M 3.01	A
9	Identify the three elements of directing	M4.01	R
10	Analyse the steps in control	M 4.03	A

PART C

Answer all questions. Each question carries seven marks

(6 x 7 = 42 Marks)

III	Discuss the functions of management.	M 1.13	U
	OR		
IV	Evaluate the relationship between management and administration	M 1.02	A
V	Explain the fourteen principles of Henry Fayol.	M1.02	U
	OR		
VI	Analyse the merits of Taylor's Scientific management	M1.02	A
VII	Describe the steps in planning process	M2.01	R
	OR		
VIII	Differentiate Strategic and Operational planning	M2.02	U
IX	Explain the advantages of informal organization	M3.01	U
	OR		
X	Distinguish between centralization and decentralization	M3.03	U
XI	Identify the external sources of recruitment	M3.05	R
	OR		
XII	Summarize the importance of training	M3.05	U
XIII	Explain the process of communication	M4.01	U
	OR		
XIV	Describe the requirements of control	M4.03	R

SCHEME OF VALUATION

(Scoring Indicators)- Set I

BASIC MANAGEMENT CONCEPTS

Quest ion no	Scoring indicators	Split up score	Sub total	To tal
	PART A			
I(1)	Management is the art of getting things done.	1	1x9	9
(2)	Espirit-de-corpse means Union is strength	1		
(3)	It is the study to find out the least time required for completing a job	1		
(4)	1) Strategic plan 2) Tactical Plan 3) Operational plan 4) Financial and Non financial Plan (Any Two)	1		
(5)	Decision is the selection of the best alternative from among a number of available alternatives	1		
(6)	“Organizing involves the grouping of activity necessary to accomplish goals and plans, the assignment of the activity to appropriate departments and the provision for authority, delegation and coordination” (koontz & O Donnel)	1		
(7)	Authority is the right and power to issue orders and command obedience.	1		
(8)	Directing is telling and guiding people what to do and seeing that they are doing it to the best of their ability	1		
(9)	Leadership is the skill and ability to influence and manage others to get things done.	1		
	PART B			
II (1)	<u>Characteristics of Managements</u> 1. It is a continuous process 2. It is universal in nature 3. It is multi disciplinary 4. It is group activity 5. It is goal oriented 6. It is a system of authority (Any three with a brief note)	3x1	3	
(2)	1. It is systematic and analytical approach through scientific method 2. It is replacement of old and outdated production and management techniques 3. It is concerned with joined effort by management and workers 4. It is based on experimentation and research 5. It is based on rational approach to motivation of workers <i>(Any three x 1)</i>	3 x 1	3	

(3)	1. planning provides direction 2. Planning reduce risk of un certainty 3. Planning reduce overlapping & Wastage 4. Planning promote innovative ideas 5. Planning facilitate decision making 6. It established a standard for controlling	6 x 0.5	3	24							
(4)	1. Strategic planning gives long term direction to the organizational functions. 2. It guides the choice among the broad directions in which organization seeks to move. 3. It takes in to all the external environment 4. It is formulated by the top level management 5. It emphasizes the analysis of future course of action 6. Strategic plan include diversification, growth of the plant etc. 7. The basic problem in strategic planning is the period for which plan is to be formulated. (Any six)	6 x 0.5	3								
(5)	1. It is an intellectual activity 2. It is a process of selection 3. It involves an element of commitment 4. It is a continuous one 5. It involves evaluation of alternatives 6. It is always result oriented 7. It must me a rational one (Any Six)	6 x 0.5	3								
(6)	1. Defining the objectives 2. Determining the activities 3. Grouping of activities 4. Assigning duties 5. Delegation of authorities 6. Co-Coordinating the activities 7. Provide Physical facilities 8. Establishment of structural relationship (Any Six)	6 x 0.5	3								
(7)	<table><tr><td>Authority is the right to issue orders</td><td>Responsibility is the obligation to perform duty</td></tr><tr><td>Delegation is possible</td><td>Cannot be delegated</td></tr><tr><td>It is a stable</td><td>It ends with performance</td></tr><tr><td>It can be withdrawn</td><td>Responsibility can't be withdrawn</td></tr></table> (Any Three x One)	Authority is the right to issue orders	Responsibility is the obligation to perform duty		Delegation is possible	Cannot be delegated	It is a stable	It ends with performance	It can be withdrawn	Responsibility can't be withdrawn	3 x 1
Authority is the right to issue orders	Responsibility is the obligation to perform duty										
Delegation is possible	Cannot be delegated										
It is a stable	It ends with performance										
It can be withdrawn	Responsibility can't be withdrawn										
(8)	1. It is pre determined by the top management 2. Its structure is clearly defined 3. It is relatively permanent 4. Authority and responsibility is well defined 5. The line of communication is established 6. The relationship is based on rules	6 x 0.5	3								

(9)	1. Supervising 2. Motivation 3. Communication 4. Leadership 5. Co-Ordination 6. Controlling (Any three with brief note)	3 x 1	3													
(10)	1. Establishment of standard 2. Measurement of performance 3. Evaluation of performance	3 x1														
III	PART – C Functions of management 1. Forecasting 2. Planning 3. Organising 4. Staffing 5. Directing 6. Controlling 7. Coordinating 8. Decision making 9. Budgeting 10. Communicating (Any 7x1 with brief note)	7 x 1	7													
IV	<table><tr><td>Administration</td><td>Management</td></tr><tr><td>Concerned with determination of Objectives & Plans</td><td>Implementation of plans</td></tr><tr><td>Related with decision making</td><td>Related with Execution</td></tr><tr><td>Thinking function</td><td>Doing function</td></tr><tr><td>Related with top management</td><td>Related with lower level</td></tr><tr><td>More applicable to non business</td><td>More applicable to business</td></tr></table> Any 4 x 1 + 3 for explanation	Administration	Management	Concerned with determination of Objectives & Plans	Implementation of plans	Related with decision making	Related with Execution	Thinking function	Doing function	Related with top management	Related with lower level	More applicable to non business	More applicable to business	4+3	7	
Administration	Management															
Concerned with determination of Objectives & Plans	Implementation of plans															
Related with decision making	Related with Execution															
Thinking function	Doing function															
Related with top management	Related with lower level															
More applicable to non business	More applicable to business															
V	1. Division of Work 2. Authority and responsibility 3. Discipline 4. Unity of command 5. Unity of direction 6. Subordination of interest 7. Remuneration 8. Centralization of Authority	14 x 0.5	7													

	9. Scalar Chain 10. Order 11. Equity of treatment 12. Stability 13. Initiative 14. Espirit-De-Corpse (A brief note is expected)																	
VI	1. Low cost of production to employers 2. Higher efficiency 3. Elimination of wastage 4. Opportunity for training to workers 5. Btter working conditions 6. Low industrial conflict 7. Ensure quality product 8. Increased wages to workers (Any 7x1 with brief note)	1x7	7															
VII	Determination of objectives Construction of planning premises Collection and classification of information Identification of alternative course of action Evaluation of alternatives Selection of best alternative Pepration of subsidiary plans Impimentation and follo-up	7 x 1	7															
VIII	<table><tr><td>Strategic Planning</td><td>Operational Planning</td></tr><tr><td>It guides the choice</td><td>It focus on ways and means</td></tr><tr><td>It relates with external enviormnt</td><td>It focus on internal enviornment</td></tr><tr><td>It relate with direction for managerial action and lead to operational one</td><td>It concerned with shorter programme and step by step impimentation</td></tr><tr><td>Formulated by top level</td><td>Implemented at the lower level</td></tr><tr><td>Deals with uncertainty</td><td>Delas with certernity</td></tr><tr><td>Deals with planning and forecasting</td><td>Deals with controlling</td></tr></table>	Strategic Planning	Operational Planning	It guides the choice	It focus on ways and means	It relates with external enviormnt	It focus on internal enviornment	It relate with direction for managerial action and lead to operational one	It concerned with shorter programme and step by step impimentation	Formulated by top level	Implemented at the lower level	Deals with uncertainty	Delas with certernity	Deals with planning and forecasting	Deals with controlling	7 x 1	7	
Strategic Planning	Operational Planning																	
It guides the choice	It focus on ways and means																	
It relates with external enviormnt	It focus on internal enviornment																	
It relate with direction for managerial action and lead to operational one	It concerned with shorter programme and step by step impimentation																	
Formulated by top level	Implemented at the lower level																	
Deals with uncertainty	Delas with certernity																	
Deals with planning and forecasting	Deals with controlling																	
	1) Management can make use of informal groups 2) Management can work more efficiently to make use of informal groups 3) Informal organization provide practical trainings 4) Communication flows very fast		7															

IX	5) Informal organizations satisfy social needs 6) Free work culture 7) More freedom to workers to do the duties	7 x 1		
X	1) Centralization involves concentration of authority where as it is given to lower levels in decentralization 2) In centralization more burden is on the top level where as decisions are taken by the department in decentralization 3) Less dependence on subordinates but dependency on subordinate is high 4) There is uniformity in decision but no uniformity in decentralization 4 x 1 + 3 mark for explanation	4 x 7 1+3		
XI	1) Notice at factory gate 2) Unsolicited applications 3) Casual callers 4) Advertisements 5) Employment exchange 6) Campus recruitments 7) Trade unions (any 7 x 1)	7 x 1	7	
XII	1) Increase efficiency & productivity 2) Develop self confidence 3) Impart new knowledge 4) Less supervision required 5) Better utilization of materials & resources 6) Less accidents 7) High morale of employees 8) Reduced absenteeism (any 7 x 1 with a brief note)	7 x 1	7	
XIII	1) Source 2) Message 3) Encoding 4) Channel 5) Decoding 6) Receiver 7) Noise 8) Feedback			

	(7 x 1 with a brief note)	7 x 1	7	
XIV	1) Objectives 2) Suitability 3) Forward looking 4) Quick action 5) Directness 6) Flexibility 7) Feedback (7 x 1 with a brief note)	7 x 1	7	42

FIRST SEMESTER DIPLOMA EXAMINATION IN MANAGEMENT

BASIC MANAGEMENT CONCEPTS**MODEL QUESTION PAPER –SET-2**

Time: 3 hours

Maximum Marks: 75

PART A**I. Answer all questions in one word or one sentence. Each question carries one mark.****(9 x 1 = 9 Marks)**

1	What you mean by unity of command	M 1.02	U
2	Write the meaning of Motion study	M 1.01	R
3	Define planning	M 2.01	R
4	State the meaning of decision making	M 2.03	R
5	Cite the definition for responsibility	M 3.02	U
6	What is formal organization	M 3.01	R
7	Define staffing	M 3.05	R
8	Write any two elements of direction	M 4.01	R
9	Define control	M 4.03	R

PART B**II. Answer any eight questions from the following. Each question carries 3 marks****(8 x 3 = 24 Marks)**

1	Relate management & administration	M 1.01	U
2	Write the principles of scientific management	M 1.01	U
3	List out the scope of management	M 1.02	R
4	Identify the merits of planning	M 2.01	U
5	Explain operational planning	M 2.02	U
6	Identify the merits of organizing	M 3.01	R

7	Examine the characteristics of delegation	M 3.02	U
8	Write the merits of training	M 3.04	R
9	Identify the objectives of co-ordination	M 4.02	R
10	List out the leadership styles	M 4.03	R

PART C

Answer all questions. Each question carries seven marks

(6 x 7 = 42 Marks)

III	Analyse whether management is science or art	M1.01	A
	OR		
IV	Explain the tools of Scientific management	M1.02	U
V	Differentiate management and administration	M2.02	U
	OR		
VI	Discuss the need for management in business	M2.01	U
VII	List out the important types of planning	M2.01	R
	OR		
VIII	Examine the steps in decision making	M2.03	U
IX	What are the advantages of organization structure	M3.01	R
	OR		
X	How authority is different from responsibility	M3.02	R
XI	Evaluate the process of staffing	M 3.01	A
	OR		
XII	What are the internal sources of recruitment	M3.05	U
XIII	Discuss the nature of motivation	M4.01	U
	OR		
XIV	Evaluate the requirements of effective control system	M4.03	A

SCHEME OF VALUATION
(Scoring Indicators)- Set II

BASIC MANAGEMENT CONCEPTS

Ques tion no	Scoring indicators	Split up score	Sub total	Tot al
	PART A			
I(1)	It is one of the 14 principles of Henry Fayol means there should be only one boss at a time to give command. No command from more than one boss at a time .	1	1x9	9
(2)	It is the study to find out the least movement of men and machine.	1		
(3)	It is an anticipation of future course of action and taking decision today	1		
(4)	It is the process of selecting the best course of action from among a number of alternatives	1		
(5)	The obligation to do our duties can be referred to as responsibility	1		
(6)	Organisations working on the basis of well established rules and regulations can be referred to as formal organizations.	1		
(7)	Staffing is the process of selecting the right no. of staff at the right time for the right job.	1		
(8)	Communication, Leadership, Supervision etc (any two)	1		
(9)	The process of ensuring that things are going on as planned and correcting if deviations are found.	1		
	PART B			
II (1)	1) Administration is concerned with planning, policy making, where as management is concerned with implementation. 2) Administration related with decision making, mgmnt; related with execution. 3)Admn is more applicable to non business, mgmnt more concerned with business (3x1)	3x1	3	
(2)	1-Rule of thumb 2-Scientific selection 3-Scientific training 4-Co-operation between labour & mgmnt: 5- Maximum output 6-Equal division of labour	6x0.5	3	
(3)	The scope of management can be seen in the following areas:- 1-Production mgmnt 2-Marketing mgmnt 3-Financial mgmnt	3x1	3	

(4)	8. Planning provides direction 9. Reduce risk 10. Reduce waste 11. Promote innovation 12. Facilitate decision 13. Establishes standard for control.	6 x 0.5	3	24
(5)	8. Operational plan is a short term plan. 9. Generally it is dealt by lower level mgmnt; 10. It covers day to day operation & implementation	3x1	3	
(6)	9. It facilitate the mgmnt; 10. Facilitate growth 11. It make training easy 12. Encourage optimization of resources 13. Promote co-ordination 14. Possibility for new technology use	6 x 0.5	3	
(7)	1-Delegation is generally exercised by higher level authority 2-It is downward 3-It is not transfer of authority 4-It is not surrender of authority (any 3x1)	3 x 1	3	
(8)	7. Training increases productivity 8. Develop self confidence 9. Skill in new knowledge 10. Less supervision 11. Better utilization of resources 12. Reduces accident	6 x 0.5	3	
(9)	1-Harmony of goal 2-Total accomplishment 3-Economy & efficiency	3 x 1	3	
(10)	4. Autocratic 5. Bureaucratic 6. Charismatic 7. Democratic 8. Innovative 9. Situational	3 x 1		

III	PART – C Management as a science:- 1-Many principles are available in mgmnt also. 2-These principles are developed through observations & testing. 3-These have universal applications with slight changes. 4-Theoretical knowledge is supplemented by practical knowledge. Management as art:- 1-Management involves application of knowledge & skill. 2-Mgmnt is creative 3-Mgmnt aims to achieve certain concrete results.	7 x 1	3	
IV	1) Scientific task setting 2) Work study 3) Motion study 4) Method study 5) Time study 6) Fatigue study 7) Standardization	7 x 1	7	
V	1) Management involves implementation of plan where as administration deals with formulation of plan and policy 2) Management is an execution function where as administration is decision making function 3) Management is implementing where as administration is dealing with thinking 4) Management is lower level function, administration is top level 5) Management is applicable to business, administration is applicable to non business 6) In management decision making is influenced by the values of manager ,in administration it is influenced by public opinion 7) Management answers who and how should do, administration answers what and when is to be done	7 x 1	7	
	1) Since business is a group work management can actively			

VI	direct the human effort 2) Management can help business to make profit 3) Business make use of both human & non human resources where human direction & support of management is needed. 4) Management helps business to reduce its uncertainty. 5) Management can make factors of production more effective. 6) Management helps business to accomplish its objectives. 7) Management helps business to optimize its scarce resources.	7 x 1	7	
VII	1) Strategic planning 2) Tactical planning 3) Operational planning 4) Financial and non financial planning 5) Specific and routine planning 6) Long term planning 7) Short term planning 8) Administrative planning 9) Contingency planning 10) Single use planning (any seven x 1)	1x7	7	
VIII	1) Identifying the problem 2) Analyzing the problem 3) Developing alternatives 4) Selecting the best one 5) Evaluating and analyzing the best 6) Connecting decision into action 7) Follow up	7 x 1	7	
IX	1-Authority can be clearly defined in organization structure. 2-Easy flow of communication. 3-Decision making point is defined. 4-Weak areas can be given priority. 5-Latest technology can be adopted with organization structure. 6-Structure facilitate organizational growth. 7-Structure promote efficiency	7 x 1	7	

X	8) Authority is the right to issue orders, responsibility is the obligation. 9) Delegation is possible in authority, but responsibility cannot be delegated. 10) Authority is stable, but responsibility ends with performance. 11) Authority can be withdrawn, responsibility cannot. 12) Authority aroused out of position but responsibility not. 13) Authority flows downward, but responsibility flows. 14) Both depend on person engaged.	7 x 1	7	
XI	1-Man power requirements. 2-Recruitment. 3-Selection 4-Orientatation. 5-Training & development.	5 x 1+2	7	
XII	1) Transfer. 2) Promotion. 3) From present employees. 4) Demotion. (4+3=7 with explanation)	4+3	7	
XIII	Motivation is:- 1-an unending process 2-a psychological concept 3-to the whole individual 4-may be financial or non financial 5-not applicable to a frustrated mind 6-related to goals 7 depends on persons	7 x 1	7	

XIV	8) Objective 9) Suitability 10) Forward looking 11) Feedback 12) Quick action 13) Directness 14) Flexibility 15) Economy 16) Regular revision (any 7 x 1 with a brief note)	7 x 1	7	42
