

Program : Diploma in Architecture	
Course Code : 5182A	Course Title: Vernacular Architecture
Semester : 5	Credits: 4
Course Category: Program Elective	
Periods per week: 4(L:4, T: 0, P: 0)	Periods per semester: 60

Course Objectives:

- To describe the relevant elements, building materials and construction techniques for the best performance of a vernacular building
- To understand indigenous architecture in response to environment, climate, culture, economy and basic human needs.
- To understand variations in built forms and their environmental performance across different climatic and geographical regions of India
- To familiarize the typology, features of structures and settlement patterns through illustrations

Course Prerequisites:

Topic	Course Code	Course Name	Semester
History of Architecture		History of architecture	4

Course Outcomes:

On completion of the course, the student will be able to:

CO _n	Description	Duration (Hours)	Cognitive Level
CO1	Explain vernacular architecture	4	Understanding
CO2	Outline the relevant elements, building materials and construction techniques for the best performance of a vernacular building	15	Understanding
CO3	Explain indigenous architecture of Andhra Pradesh, Madhya Pradesh, Odisha (Kondha and Santals) and Northeast (Naga and Khasi tribes)	19	Understanding
CO4	Explain indigenous architecture of southern Region of India	20	Understanding
	Series Test	2	

CO - PO Mapping:

Course Outcomes	PO1	PO2	PO3	PO4	PO5	PO6	PO7
CO1	3				3		
CO2	3				3		
CO3	3				3		
CO4	3				3		

3-Strongly mapped, 2-Moderately mapped, 1-Weakly mapped

Course Outline:

Module Outcomes	Description	Duration (Hours)	Cognitive Level
CO1	Explain vernacular architecture		
M1.01	Define vernacular architecture	1	Understanding
M1.02	Describe the traditions/practices of vernacular architecture	1	Understanding
M1.03	Explain influencing factors of vernacular architecture	2	Understanding
Contents: Introduction to Vernacular Architecture - Definitions and theories - Categories, Contextual responsiveness: Climatic, Geographical, Anthropological and Cultural influences			
CO2	Outline the relevant elements, building materials and construction techniques for the best performance of a vernacular building		
M2.01	Explain the influence of environment on built form	3	Understanding
M2.02	Identify the elements & building materials of vernacular architecture	5	Understanding
M2.03	Describe the various construction techniques	5	Understanding
M2.04	Discuss the performance of a vernacular building	2	Understanding
	Series Test - I	1	
Contents: Environment and Materials -Typical building materials- Built form & elements, Construction techniques & environmental performance.			

CO3	Explain indigenous architecture of Andhra Pradesh, Madhya Pradesh, Odisha (Kondha and Santals) and Northeast (Naga and Khasi tribes)		
M3.01	Define Tribal Architecture of central and North East India	1	Understanding
M3.02	Explain Settlement Pattern	5	Understanding
M3.03	Explain Construction materials and techniques	5	Understanding
M3.04	Illustrate dwelling typology and features	8	Applying
Contents: Regional Variations in Built Form: Tribal Architecture Settlement Pattern, Dwelling Typology, Symbolism, Typical features, Construction materials and techniques. Andhra Pradesh, Madhya Pradesh, Odisha (Kondha and Santals) and Northeast (Naga and Khasi tribes).			
CO4	Explain indigenous architecture of southern Region of India		
M4.01	Describe Tribal Architecture of South India	1	Understanding
M4.02	Explain Settlement Pattern	4	Understanding
M4.03	Explain Construction materials and techniques	5	Understanding
M4.04	Illustrate dwelling typology and features	10	Applying
	Series Test - II	1	
Contents: Regional Variations in Built Form: Traditional Architecture Settlement Pattern, Dwelling Typology, Symbolism, Typical features, Construction materials and techniques. Southern Region: Kerala - Nalukettu, Houses of Nair & Namboothri's, Koothambalam, Tarawads, Kerala Muslim houses (Mappilah houses) Tamil Nadu - Toda Huts, Chettinad Houses (Chettiars). Karnataka - Gutthu houses (land owning community), Kodava ancestral home (Aynmane), Andhra Pradesh - Rural Kaccha houses. Western Region: Rajasthan- Rural Jat / Bhunga houses and Havelis. Gujarat- Deserts of Kutch, Pol houses of Ahmedabad, Wooden Havelis. Goa - Traditional Goan houses. (Portugese influence) Northern and Eastern Region: Kashmir - Typical Kutcha houses, Dhoongas (Boathouses), Ladakhi houses, bridges. Himachal Pradesh - Kinnaur houses, Punjab - Rural Houses, Bengal - Rural house form- AatChala houses, Thakur Bari (Mansions), Odisha - Rural houses of coastal areas.
