

Program : Diploma in Printing Technology	
Course Code : 5108	Course Title: Advanced Printing Machine Workshop-III
Semester : 5	Credits: 1.5
Course Category: Program Core	
Periods per week: 3 (L:0, T:0, P:3)	Periods per semester: 45

Course Objectives:

- To demonstrate multi color printing using four color sheet fed offset machine.
- To demonstrate single color printing using flexographic printing machine.

Course Prerequisites:

Topic	Course code	Course name	Semester
Principles, working, and types		Mechanism of Printing Machine I	3
Printing machine parts and operating procedure		Printing Machine Workshop I	3
Color sequence and trapping		Printing Machine Workshop II	4
Flexographic printing features		Mechanism of Printing Machine II	4

Course Outcomes:

On completion of the course, the student will be able to:

CO _n	Description	Duration (Hours)	Cognitive Level
CO1	To demonstrate two color and four printing using four color offset machine.	25	Applying
CO2	To work with flexographic printing machine parts.	3	Applying
CO3	To demonstrate single color printing using flexographic printing machine.	13	Applying
	Lab Exam	4	

CO-PO Mapping:

Course Outcomes	PO1	PO2	PO3	PO4	PO5	PO6	PO7
CO1	3	3	3	3			
CO2	3	3	3	3			
CO3	3	3	3	3			

3-Strongly mapped, 2-Moderately mapped, 1-Weakly mapped

Course Outline:

Module Outcomes	Name of Experiment	Duration (Hours)	Cognitive Level
CO1	To demonstrate two color and four printing using four color offset machine.		
M1.01	Familiarize and take progressive proofs.	6	Applying
M1.02	Understand various problems arise in printing and its solution.	6	Applying
M1.03	Demonstrate two color printing and four color printing using four color offset machine- wet on wet printing.	13	Applying
	Lab Exam I	2	
CO2	To familiarize flexographic printing machine parts.		
M2.01	To understand the parts of flexographic machine and its difference with offset machine.	3	Applying
CO3	To demonstrate single color printing using flexographic printing machine.		
M3.01	Demonstrate inking unit.	3	Applying
M3.02	Demonstrate web path in the machine.	3	Applying
M3.03	To demonstrate single color printing using flexographic printing machine	7	Applying
	Lab Exam II	2
