

COURSE DESCRIPTION			
Program	Interior Design		
Course Title	History of Interior Design - I		
Course Code	2532	Semester	II
Type of Course	Theory	Contact Hours	45
Teaching Scheme (L: T:P:R)	3:0:0:0	Credits	3
CIE Marks	40	ESE Marks	60

Introduction

This course presents an overview of the evolution of architecture and interior environments from ancient civilisations through medieval Europe. It examines the development of interior elements and decorative approaches across major historical movements, leading to eclectic expressions in interior design.

Course Objectives

1	To give a holistic understanding of the development of styles in architecture and interior elements from the ancient civilisations to the classic styles and thereby understand the various factors that shaped the interiors across the world.
---	---

Course Pre-requisite

Topic	Course code	Course Title	Semester
Awareness about different styles in Architecture	1182	Fundamentals of Architecture	I

Course Outcome

CO	Course Outcome	Blooms Taxonomy Level
CO1	Describe the elements of architecture and determinants of interior environments in Ancient Civilisation	Understand
CO2	Explain how various styles from Europe shaped the interiors during the Middle Ages	Understand
CO3	Discuss the elements of interiors and the various decorative styles in the Revival and Rebirth in Europe	Understand
CO4	Explain Eclecticism in interior design	Understand

Syllabus - Major Topics

Module	Title	Major Topics	Instructional Hours	
			L	T
Module I	Ancient Civilizations	The elements of architecture and determinants of Interior environments in ancient civilisations - Ancient Egyptian and Mesopotamian civilisations, Ancient Greek and Roman civilisations	11	0
Module II	Middle Ages	Various styles from Europe that shaped the interiors during the Middle Ages - Interiors of Byzantine architecture, Interiors of Romanesque architecture, Interiors of Gothic architecture	11	0
Module III	Revival and Rebirth in Europe	The elements of interiors in the Revival and Rebirth in Europe - Interiors of Renaissance architecture, Interiors of Baroque architecture, Interiors of Rococo architecture	12	0
Module IV	Eclecticism	Eclecticism in interior design - Development of Eclecticism in interior design, Eclecticism in the contemporary interior context	11	0

Detailed Syllabus

Subtopic	Student Learning Outcome	Mode of delivery (L/T)	Mapped CO	Taxonomy Level	Instructional Hours
Module I					
Ancient Egyptian and Mesopotamian civilisations	Discuss the elements and characteristics of ancient Egyptian interiors	L	CO1	Understand	1.5
Ancient Egyptian and Mesopotamian civilisations	Describe with Example: interior features of Great Temple of Karnak	L	CO1	Understand	1
Ancient Egyptian and Mesopotamian civilisations	Explain Ancient Mesopotamian house interiors: Elements and Characteristics	L	CO1	Understand	1.5
Ancient Greek and Roman civilisations	Explain the elements and characteristics of ancient Greek interiors: houses, temples, theatres	L	CO1	Understand	1.5
Ancient Greek and Roman civilisations	Describe with Examples: interior features of temple of Parthenon at Athens and Greek theatre of Epidaurus	L	CO1	Understand	2
Ancient Greek and Roman civilisations	Explain the elements and characteristics of ancient Roman interiors	L	CO1	Understand	1.5
Ancient Greek and Roman civilisations	Describe with Examples: interior features of temple of Pantheon and the amphitheatre Colosseum	L	CO1	Understand	2
Module II					
Interiors of Byzantine architecture	Describe the characters of the Byzantine interiors with a study of Hagia Sophia at Istanbul	L	CO1	Understand	1.5
Interiors of Byzantine architecture	Explain the Pendentive and Squinch arches of Byzantine interiors	L	CO2	Understand	1
Interiors of Byzantine architecture	Describe the interior features of St. Mark's Basilica, Venice	L	CO2	Understand	1
Interiors of Romanesque architecture	Explain the Romanesque interiors: Elements and Characteristic features	L	CO2	Understand	1
Interiors of Romanesque architecture	Describe the Italian Romanesque interiors of Pisa Cathedral Complex	L	CO2	Understand	1.5
Interiors of Romanesque architecture	Describe the French Romanesque interiors of Abbaye-Aux-Hommes at Caen	L	CO2	Understand	1
Interiors of Gothic architecture	Explain the Elements and Characteristic features of Gothic interiors: ribbed vaults, flying buttresses, luminous walls of glass	L	CO2	Understand	1
Interiors of Gothic architecture	Describe the French Gothic interiors of Notre Dame Cathedral at Paris	L	CO2	Understand	1.5
Interiors of Gothic architecture	Describe the British Gothic interiors of Salisbury Cathedral at England	L	CO2	Understand	1.5
Module III					
Interiors of Renaissance architecture	Explain the Renaissance interiors: evolution and characteristics	L	CO3	Understand	1.5

Interiors of Renaissance architecture	Describe the characters of the Italian Renaissance interiors with a study of St. Peter's Basilica in Rome	L	CO3	Understand	1.5
Interiors of Renaissance architecture	Describe the characters of the French Renaissance interiors with a study of the Palace of Versailles at Paris	L	CO3	Understand	1.5
Interiors of Renaissance architecture	Describe the characters of the English Renaissance interiors with a study of the Banqueting House at Westminster	L	CO3	Understand	1.5
Interiors of Baroque architecture	Explain the Baroque interiors: evolution and characteristics	L	CO3	Understand	1
Interiors of Baroque architecture	Describe with examples: interior features of the Church of Gesu in Rome and Nuruosmaniye Mosque in Istanbul	L	CO3	Understand	2
interiors of Rococo architecture	Explain the Rococo interiors: Elements and Characteristic features	L	CO3	Understand	1
interiors of Rococo architecture	Describe with examples: interior features of the Amalienburg and Linderhof Palace in Germany	L	CO3	Understand	2
Module IV					
Development of Eclecticism in interior design	Explain the development of Eclecticism in interior design: characteristics, key architects and designers	L	CO4	Understand	2
Development of Eclecticism in interior design	Describe with examples: interior features of the Carson Mansion in California and Teatro Municipal in Brazil	L	CO4	Understand	2
Eclecticism in the contemporary interior context	Discuss the key Eclectic architects and designers and their signature interior design projects	L	CO4	Understand	2
Eclecticism in the contemporary interior context	Explain the Eclectic compositions in contemporary interior design context: philosophy and design principles, materials and technologies, sustainability and adaptive reuse in eclectic practices with case studies	L	CO4	Understand	5

Suggested Student Activities for Self-Learning

Week	Self-Learning description	Hours
Module I		
1	Prepare a note on the key elements and defining characteristics of ancient Egyptian interiors Prepare sketches of the Great Temple of Karnak, Egypt Write a note on how the principal interior elements of ancient Egyptian architecture are exemplified in the design of the Great Temple of Karnak Attend a quiz on Ancient Egyptian interiors	4.5
2	Prepare a note on the key interior elements of ancient Mesopotamian houses Write a note on how the arrangement of interior spaces in Mesopotamian houses reflected their family structure, privacy, and daily activities Write a note on how the key interior elements of ancient Mesopotamian houses supported their functional, climatic, and social needs Attend a quiz on Ancient Mesopotamian interiors	4.5
3	Write notes on the characteristics of Ancient Greek interiors of houses, temples and theatres Prepare sketches of the temple of Parthenon at Athens Prepare sketches of the Greek theatre of Epidaurus Attend a quiz on Ancient Greek interiors	4.5
4	Prepare a note on the key elements and defining characteristics of ancient Roman interiors Prepare sketches of the temple of Pantheon Prepare sketches of the amphitheatre Colosseum Attend a quiz on Ancient Roman interiors	4.5
Module II		
5	Prepare notes on the key elements and characteristics of Byzantine interiors with the sketches of Pendentives and Squinch arches Prepare sketches of the Hagia Sophia, Istanbul Prepare sketches of the St. Mark's Basilica, Venice. Attend a quiz on the Byzantine interiors	4.5
6	Write notes on the key elements and characteristics of the Romanesque interiors Prepare sketches of the Pisa Cathedral Complex (Italian Romanesque) Prépare sketches of Abbaye-Aux-Hommes (French Romanesque) Attend a quiz on the Romanesque interiors	4.5

7	Prepare notes on the key elements and characteristics of Gothic interiors with the sketches of ribbed vaults, flying buttresses and luminous walls of glass Prepare sketches of Notre Dame Cathedral, Paris (French Gothic) Prepare sketches of Salisbury Cathedral (British Gothic) Attend a quiz on the Gothic interiors	4.5
8	Prepare notes on the key characteristics of Renaissance interiors, and its evolution from medieval precedents Write notes on the key elements and characteristics of Italian Renaissance interiors Prepare sketches of St. Peter's Basilica in Rome (Italian Renaissance) Attend a quiz on the Italian Renaissance interiors	4.5
Module III		
9	Prepare notes on how the advancements in art and architecture during the Renaissance shaped interior design elements such as ceilings, wall treatments, and spatial organization Write notes on the key elements and characteristics of French Renaissance interiors Prepare sketches of the Palace of Versailles, Paris (French Renaissance) Attend a quiz on the French Renaissance interiors	4.5
10	Prepare notes on how the materials, ornamentation, and classical motifs contributed to the aesthetic identity of Renaissance interiors Write notes on the key elements and characteristics of English Renaissance interiors Prepare sketches of Banqueting House at Westminster (English Renaissance) Attend a quiz on the English Renaissance interiors	4.5
11	Write notes on the defining characteristics of Baroque interiors and its evolution from Renaissance principles Prepare sketches of the Church of Gesu, Rome Prepare sketches of Nuruosmaniye Mosque, Istanbul Attend a quiz on Baroque interiors	4.5
12	Prepare notes on the elements and characteristics of Rococo interiors Prepare sketches of Amalienburg, Germany Prepare sketches of Linderhof Palace, Germany Attend a quiz on the Rococo interiors	4.5
Module IV		
13	Prepare notes on the development of Eclecticism in interior design Prepare notes and sketches on characteristics, key architects and designers of Eclecticism in interior design Prepare notes on the role that historical revival styles and global influences played in shaping Eclectic interiors	4.5
14	Prepare notes on how the principles of Eclecticism allowed designers to blend diverse historical styles, and how this is reflected in the works of key architects and interior designers Prepare sketches of the Carson Mansion, California Prepare sketches of the Teatro Municipal, Brazil Attend a quiz on the development of Eclecticism in interior design	4.5
15	Prepare a report on the eclectic compositions in the contemporary interior design context based on case studies Prepare notes on the role of key eclectic architects and designers on contemporary interior design practice Attend a quiz on the contemporary eclectic interior design practice	4.5
Total Self-Learning hours		67.5
